

TRADE MARKS REGISTRY

REGISTRATION CERTIFICATE

Trade Marks Act 1994 of

Great Britain and Northern Ireland

I certify that the marks shown below have been registered as a series of 4 marks under No. UK00003508211 effective as of the date 04/07/2020 and have been entered in the register on 09/10/2020

Signed this day at my direction

Tim Moss

Mark 1

wodensoft

Mark 2

WodenSoft

Mark 3

WODENSOFT

Mark 4

Wodensoft

The marks have been registered in respect of:

Class 9:

Simulators for simulating the effect of earthquakes;AI software;Application development software;Application server software;Application simulation software;Application software;Application software for cloud computing

TV;Application software for smart phones;Application software for social networking services via internet;Application software for televisions;Application software for wireless devices;Application suites [software];Artificial intelligence and machine learning software;Artificial intelligence software;Artificial intelligence software for analysis;Artificial intelligence software for driverless cars;Artificial intelligence software for healthcare;Artificial intelligence software for surveillance;Artificial intelligence software for vehicles;Assistive software;Audio editing software;Augmented reality game software;Augmented reality software;Augmented reality software for creating maps;Augmented reality software for education;Augmented reality software for simulation;Augmented reality software for use in mobile devices;Augmented reality software for use in mobile devices for integrating electronic data with real world environments;Authentication software;BIOS software;Banking software;Betting software;Big data management software;Bioinformatics software;Biometric software;Blog software;Boxes adapted for storing computer software disks;Building management software;Business application software;Business intelligence software;Business management software;Business performance management [BPM] software;Business process management [BPM] software;Business software;Business technology software;CAD software;CAD-CAM software;CAE software;CAM software;CMS software [Content management system];Cards encoded to access computer software;Cartridges [software] for use with computers;Character recognition software;Chemical engineering software;Children's educational software;Civil engineering software;Closed circuit TV [CCTV] software;Cloud computing software;Cloud network monitoring software;Cloud server software;Collaboration management software platforms;Collaboration software;Collaboration software platforms [software];Collaboration tools [software];Collaborative software;Communication software;Communication software for connecting computer network users;Communication software for connecting global computer networks;Communication, networking and social networking software;Communications processing computer software;Communications server software;Communications software.

Class 35:

Marketing in the framework of software publishing;Providing consumer product advice relating to software;Providing consumer product information relating to software;Retail services for computer software;Retail services in relation to computer software;Wholesale services in relation to computer software.

Class 41:

Education services relating to computer software;Education services relating to the application of computer software;Lending of books relating to computer software;Multimedia entertainment software publishing services;Publishing of interactive computer and video game software;Training courses relating to computer
